

OBSIDIAN

Half Mile | 2021

CABERNET SAUVIGNON

OBSIDIAN RIDGE VINEYARD

Half Mile is our winemaker's annual selection of the very best barrels of Cabernet that showcase the power and richness of volcanic mountain fruit grown at 2'640 feet in our iconic black volcanic soil. A small amount of Petit Verdot is added to lift the signature floral component that distinguishes this wine. The two are beautifully integrated in Hungarian oak barrels for 18 months resulting in a wine that showcases harmony and refinement.
