

<div><p>OBSIDIAN — WINE CO. — ADVENTURES</p></div>	NO. 0008	YEAR ROUND	<p>Join us as we explore the San Francisco Bay, the largest estuary on the West Coast, where the mixture of salt and freshwater is the foundation of the Bay’s biological diversity and richness. We’ll see plenty of sea life and learn about why the Bay’s health and keeping its water clean is critical to the wine growing work that we do. Undoubtedly, you’ll be indulging in our Rosé for the Bay (of whose all proceeds benefit San Francisco BayKeeper) and Poseidon Estate wines which both come from our Poseidon Vineyard, planted at the edge of the Bay in 1972.</p>
