

OBSIDIAN

2021 VOLCANIC ESTATE CABERNET SAUVIGNON

Obsidian Ridge Vineyard • Red Hills Lake County

LIMITED EDITION 3 LITER

VOLCANIC VINEYARD SITE

Obsidian Ridge vineyard was planted in 1999 on a volcanic obsidian flow at the northern tip of the Mayacamas Range. Low humidity, cold night time temperatures, and ultraviolet exposure 10% greater than at sea level.

THREE ELEVATION ZONES

Cabernet Sauvignon is grown in three climactic zones ranging from 2,300 to 2,640 feet, and blended to capture the personality and verticality of this complex site.

HUNGARIAN BARRELS

Obsidian wines are the only Cabernet Sauvignons in California (perhaps the world) aged in 100% Hungarian oak barrels.

BLEND

90% Cabernet Sauvignon
3% Malbec
3% Petite Sirah
2% Petit Verdot
2% Syrah
